STS-Certificate of ESD-Excellence

1172-21-Z02

Statech Systems AG hereby certifies that

Comelec SA
Rue de la Paix 129, 2300 La Chaux-de-Fonds

has implemented a comprehensive ESD Control Program as specified in the standard

IEC 61340-5-1:2016
ANSI/ESD S20.20-2014

and is applying this program in all electronics areas.

As part of a comprehensive ESD audit, the above company demonstrated that the implemented ESD Control Program fulfil the requirements of the above standard (see audit report No. 1172-21-A01).

This certification is valid until the end of May 2023.

Date of first audit: September 11th, 2002

Eschenbach / St. Gallen (Switzerland), November 23th, 2021
